

St. Michael & All Angels

CHURCH IN THE PARK | LIVING, LOVING, SERVING

Dear Friends

Due to the recent restrictions on people's movements to reduce the spread of infection from Corona Virus, Thames Valley Police have requested that the car park to St Michael & All Angels Church be closed and the National Trust have been requested to shut the access road to West Wycombe Hill as soon as possible.

Obviously, Arthur & emergency services would need access, so it has been agreed to use a light moveable obstruction, along with some form of "car park closed" signage. Should walkers/dog walkers ignore or circumvent this obstruction, then this would need to be re-considered.

The closure will come into force from tea-time this evening.

Please be aware that visiting a grave is NOT considered to be an essential journey and should be curtailed until the restriction on movement is lifted.

God Bless

Mike Dean
