6. Teams will need to register their entry ON OR BEFORE SUNDAY 9<sup>th</sup> May 2021.
7. There will be a good prize for the winning team.
8. The event will be held utilising Zoom and there are a number 'rules' that should be followed, to ensure it runs as smoothly as possible. These rules will be explained in detail to the registered teams before the start of the Quiz.
9. It is anticipated that the overall quiz will take from 19.30 to 21.15 latest. There will be no formal breaks during the quiz but there will be quite a lot of 'downtime' whilst the scores are being taken, etc. Plenty of time to replenish your plates and more importantly your glasses!
10. You will of course need a good quantity of paper and something to write with to complete your answers!
11. The overall Quiz consists of a number of rounds of questions. In addition there will be a short Marathon.
12. All questions for each of the rounds will be completed and then all the answers for that round will be given.
13. Each question has a maximum of 2 marks, although in some cases there is more than one part to the question. The points awarded will be explained for these at the time of the question.
14. Teams will also have a Virtual Joker which may be played on any of the rounds – but not on the Marathon. The Joker **MUST BE PLAYED BEFORE THE RELEVANT ROUND OF QUESTIONS STARTS**
15. You mark your own - carefully and honestly of course.
16. After the answers have been given for a full round of questions, your team score for that round will need to be communicated to the Quiz team.
17. This will happen when one of the quiz team calls out your name. You will then give your score for that round which will be incorporated into the overall score chart.
18. The Marathon will be sent to you approximately 45 minutes before the quiz starts. You have the whole evening to complete this section of the quiz and the answers will be given after the rounds of other questions have been completed. Again you mark your own and your name will again be called out to get your marks for the Marathon which will be added to your overall scores.
