

HVRA - We need a new Chairperson

Do you care about the speed of traffic going through our villages?

Do you care about the litter?

Do you care about the old folks and the future of young people in the Valley?

Do you care about the state of our roads?

Do you care about the quality and quantity of extensions and new builds?

Do you care about the environment: the trees; orchards and green spaces?

In short, do you care about the Valley continuing to be a great place to live?

When I took over as Chair in 2020 I said I would do 2 years as Chair of the Hughenden Valley Residents Association. I am standing down at the AGM on 19 May 2022

The ideal candidate needs to :-

- **be able to conduct brisk business-like meetings; to share information and inspire action**
- **be able to listen to gauge the views of the majority of residents and work for the benefit of the majority**
- **be self- confident and able to instigate events to entertain and to promote an even better community**
- **be able to commit to two years and then safely hand over the baton**

Time is very short - we need to hear from you as soon as possible

**If this is you, or you know of someone who fits the bill,
please phone me, HVRA Chair, Peter Cannon on HW 563228 or
Rosemary Hewitt, Secretary, on HW 562752 for more details**
